SUMMER Youth Conference

Open to youth entering grades six through first year of college. For more information, email us at: NYYouthConference@yahoo.com

Youth Conference is a week-long event for the young people of the New York Episcopal Diocese. It is a combination of many things; part retreat, part camp, and part convention. A chance for the youth of the Diocese to escape the pressures of the outside world, meet people their own age, discuss topics relevant to their lives, define their own personal spirituality, and have fun all at the same time. Please join us for the week, and make friendships that can last a lifetime!

SYC: The Way of Love

In today's world, where teens and adults alike are increasingly removed from true human interaction, "The Way of Love" offers a path to connection, not only to God, but to family, friends, and community. "The Way of Love" reorients us to the fundamental pathways traveled by followers of Jesus since the beginning. It is a commitment to a core set of practices that guide us back to a Jesus-centered life. Turn – Learn – Pray – Worship – Bless – Go – Rest. These are the commitments that allow us to find and give love and support, first together in our small group, and then out into our own larger ones. These are the commitments that connect us to Jesus, and provide rules of life that inspire us to carry His redeeming love out into the world.

Please join us for the week, and make friendships that last a lifetime!
