NYC 2024 Pride March Information

GREETINGS AND HAPPY PRIDE!

I hope you can join us for the NYC Pride March this Sunday, June 30th.

This year, we are excited to introduce a unique feature to our contingent—an Old Time Trolley (with AC). This trolley will be a comfortable and convenient option for those who can't walk the one-mile march route or need relief from the elements.

March security is strict this year, and meet-up and step-off times are short; please be early.

For security reasons, you **must** wear a wristband to enter the March. This will help us ensure the safety of all participants.

Day of the March
